RICHARD HENRY DANA CHARITY REGATTA

January, 2024

Dear Prospective Sponsor,

Dana Point Yacht Club's annual **Richard Henry Dana Charity Regatta** has a rich and proud history of contributing to several of South Orange County's charitable organizations. This year's recipient is special because of the transformational impact the organization has on underprivileged youth.

We are pleased to announce that the **Boys & Girls Clubs of Capistrano Valley** will be this year's beneficiary.

The **Boys & Girls Clubs of Capistrano Valley (BGCCV)** exists to meet the comprehensive educational, recreational, and social needs of young people in our community, especially those that are socioeconomically disadvantaged, disenfranchised, and marginalized. The mission of the organization is succinctly summarized by its stated commitment to do **Whatever it takes to BUILD GREAT FUTURES**. Now serving over 1,500 kids annually, the impact of the club can be seen in the fact that 99% of its Club members graduate from high school with many going on to attend college and to productive careers. The BGCCV's programs are fully supported through generous investments of sponsors and members of the community. We are asking for your help to support the Boys & Girls Clubs of Capistrano Valley to continue to inspire and enable youth to reach their full potentials, and to gain a greater appreciation of the ocean which is only a few miles from where they live, but often times a world away.

The 2024 Richard Henry Dana Charity Regatta will take place on the weekend of September 7 and 8. Highlights will include a premier two-day yacht race, cornhole tournament, grand regatta party on Saturday night featuring a live and silent auction plus entertainment, a VIP/Sponsor party, and other fun activities. Please take a careful look at the benefits you will receive with your tax-deductible support of the RHD Charity Regatta. This is an excellent venue for showcasing your company and/or products and services while helping a worthy charity. As part of your sponsorship, you will also receive an invitation to the Regatta Sponsors' reception on the Friday evening of the event weekend.

Join other community leaders today and become a sponsor of the Richard Henry Dana Charity Regatta supporting the Boys & Girls Clubs of Capistrano Valley.

Thank you for your consideration and support.

BOYS & GIRLS CLUBS
OF CAPISTRANO VALLEY

AT A GLANCE

Boys & Girls Clubs of Capistrano Valley provides a safe, affordable place for kids and teens during critical out-of-school time. Our three Clubs offer life-changing programs and services to youth in San Juan Capistrano, Aliso Viejo, Rancho Santa Margarita, Dana Point, Mission Viejo, Laguna Niguel, and Laguna Hills.

MISSION

To inspire and enable all youth to reach their full potential as productive, responsible and caring citizens by providing stimulating and challenging programs through interaction with dedicated caring people.

VISION

The Boys & Girls Clubs of Capistrano Valley are a world-class afterschool nonprofit, offering quality programs for academic success and healthy lifestyles while building good character and leadership skills in our members. We are truly the positive place for kids and teens in Orange County.

CLUBS HELP KIDS LEAD HEALTHY LIFESTYLES AND AVOID RISKY BEHAVIORS

Clubs play an important role in providing a safe space to exercise, compete in team sports, and establish lifelong friendships. Teens who stay involved in a Club are more likely than their peers to have healthy habits, including being physically active and abstaining from risky behaviors like drinking alcohol, smoking, and using marijuana.

GREAT FUTURES START HERE

In every community, boys and girls are left to find their own recreation and companionship in the streets. An increasing number of children are at home with no adult supervision. Young people need to know that someone cares about them. The Boys & Girls Clubs of Capistrano Valley offers that and more.

CLUBS HELP TEENS GRADUATE FROM HIGH SCHOOL, PREPARED FOR A GREAT FUTURE

Every year, 1 in 5 high school students fails to graduate on time. Ensuring that every Club member graduates from high school on time with a solid plan for their future is of the highest priority for BGCCV. Boys & Girls Clubs offer homework help, tutoring, education enrichment, and college preparation programs designed to support young people's academic achievement.

CLUBS FOSTER GOOD CHARACTER AND CITIZENSHIP

Throughout more than a century of existence, Boys & Girls Clubs have worked to foster young people's integrity and good character, their ability to make positive life choices, their belief that they can bring about positive change in their communities, and their compassion and willingness to serve others.

In a Harris interactive survey, 54% of Boys & Girls Club alumni said the Club "saved my life."

99% of Club members who attend the BGCCV graduate from high school.

92% of Club members who attend the BGCCV feel that they can stand up for what they think is right, even if their friends disagree.
